# SUSTAIN

**COST  
EFFECTIVE**

**ECO-CONCIOUS**

**RECYCLED**

The Reflex Sustain frame is made with recycled and recyclable plastics. The current, most cost effective option is the 100x100mm injection moulded frame. Custom sizes and colours are also available on request, using recycled sheet material.

The frames can be easily separated from the attachment for recycling.

**Available now** - 100x100mm White Injection Moulded.
